Please confirm your presentation date at the Program Details.
Program Details URL: https://confit.atlas.jp/guide/event/worldpm2024/top?lang=en
During the whole core time, please stay in front of your poster for presentation and discussion. Presenters are responsible for setting up and taking down their posters on their own within the designated time. The Conference Secretariat will not be responsible for the loss of the poster after removal time.

2. POSTER BOARD
Each poster presentation is allotted one poster board (as shown below).
Presenters should use pushpins to put up their posters. Pushpins will be prepared by the Conference Secretariat. No other adhesive method is permitted on the boards.

Size: Width 90cm x Height 210cm
Recommended usable area: Width 85cm x Height 160cm (A0 size)
Poster Number (Presentation number on program) will be posted on the panel by the Secretariat.
*Presenters do not have to input poster number on the poster.
